## Request Description

Short Description :

I am requesting all EPA inspection reports compiled for the oil and gas production sector in the Eagle Ford Shale Play and the Marcellus Shale Play for the years 2015 and 2016, as well as to date in 2017. Specifically, I would like to obtain copies of all reports prepared by the Agency and its contractors following inspections of hydraulic fracturing facilities, including well pads and associated equipment and piping. I am not seeking reports of inspections of "downstream" oil and gas facilities, such as oil and gas transmission facilities or refineries. Please direct this request to the Office of Enforcement and Compliance Assurance, Office of Civil Enforcement, Air Enforcement Division.
